## DELIVERY POLICY

We will make every effort to get your order to you as quickly as possible.

On receipt of your order request a sales consultant will contact you to confirm your order, advise on the delivery charge and estimated delivery time.

Once the order is complete and ready for delivery, it can take 3-5 working days to receive your order.

Please note should you require delivery in an outlying area, delivery may take longer as certain areas are serviced by couriers less frequently.

Kindly ensure the correct delivery address has been provided as we cannot be held liable for additional cost incurred due to the incorrect address being supplied.
